Dear Sir,

Mr. ALBERT KORN has worked in the Classification Office of the Air Transport Command in Shanghai since 19 November 1945. During this period I have observed him at work and have, I feel, become thoroughly acquainted with his character and temperment.

Mr. KORN maintains the records upon which the accuracy of all personnel reports of this Headquarters depend. He has amply demonstrated that he is conscientious, honest, loyal and capable.

On the basis of his service to the Government of the United States of America, I feel that Mr. KORN's application is worthy of your consideration.

Sincerely,

LEON E. HAY
